PROXY STATEMENT

This Proxy Statement is provided to the holders of ordinary shares, nominal value 1.0 New Israeli Shekel (“NIS”) per share (the “Shares”), of Elbit Systems Ltd. (the “Company” or “Elbit Systems”), in connection with the solicitation by the Company’s Board of Directors (the “Board” or the “Board of Directors”) of proxies to be voted at the Company’s Annual General Meeting of Shareholders to be held at the Company’s offices at the Advanced Technology Center, Haifa 3100401, Israel, on Wednesday, August 5, 2026, at 3:00 p.m., Israel time (the “Meeting”), or at any adjournment or postponement thereof, pursuant to the accompanying Notice of the Company’s Annual General Meeting of Shareholders.

It is proposed that at the Meeting the shareholders adopt resolutions for the following proposals (each referred to as a “Proposal” and, collectively, as the “Proposals”):

1. to elect to the Board the following seven members (“Directors”) who are not “External Directors” as defined in the Israeli Companies Law, 5759-1999 (the “Companies Law”), to serve until the close of the next Annual General Meeting of Shareholders: Mr. David Federmann, Mr. Ehud (Udi) Adam, Mr. Jacob Bar-Nathan Abudi, Mrs. Rina Baum, Mr. Michael Federmann, Mrs. Tzipi Livni and Mr. Dov Ninveh;
2. to re-elect Mr. Noaz Bar Nir to an additional three-year term as an External Director;
3. to approve the extension of the indemnification letters of Mr. Michael Federmann and Mr. David Federmann, for an additional three years commencing on December 1, 2026;
4. to approve the extension of the exemption letters of Mr. Michael Federmann and Mr. David Federmann, for an additional three years commencing on April 7, 2027; and
5. to re-appoint Kost, Forer, Gabbay & Kasierer, a member of Ernst & Young Global, as the Company’s independent auditor for the fiscal year ending December 31, 2026, and until the close of the next Annual General Meeting of Shareholders.

In addition, at the Meeting the Company will report on or discuss certain additional matters as noted below under “ADDITIONAL MATTERS TO BE REPORTED ON OR DISCUSSED.”

Shares represented by properly signed and unrevoked proxies will be voted in the manner directed by the persons designated as proxies.

Note that exchange rates used in this Proxy Statement to convert NIS to U.S. dollar amounts are based on the rate of one U.S. dollar to 2.9 NIS as of June 17, 2026. This exchange rate may change from time to time.

QUORUM AND VOTING REQUIREMENTS

Only shareholders of record at the close of business on Monday, July 6, 2026 (the “Record Date”) have the right to receive notice of, and to vote at, the Meeting and any adjournments or postponements thereof. Mailing of this Proxy Statement and the accompanying materials will commence on or about Wednesday, July 8, 2026.

On June 17, 2026, the Company had 46,848,460 (forty-six million, eight hundred forty-eight thousand, four hundred sixty) Shares outstanding. Each Share is entitled to one vote on each of the matters presented to our shareholders at the Meeting.

The Meeting will be properly convened with a quorum if at least two (2) shareholders are present in person, by proxy or by a voting instrument, holding or representing, in the aggregate, at least one-third (1/3) of the issued voting Shares. If a quorum is not present within one-half (1/2) hour after the time set for the Meeting, the Meeting will be adjourned and will be reconvened one (1) week later at the same time and place unless other notice is provided to the shareholders by the Board. If

at such adjourned meeting a quorum is not present within one-half (1/2) hour of the time for the adjourned meeting, then any two (2) shareholders who together represent at least ten percent (10%) of the shareholders' voting power, present in person, by proxy or by a voting instrument, will be considered a quorum.

Joint holders of Shares should note that, according to the Company's Restated Articles of Association, the vote, whether in person, by proxy or by a voting instrument, of the senior of the joint holders of any voted Share will be accepted over any vote(s) of the other joint holders of that Share. For this purpose, seniority will be determined by the order in which the joint holders' names appear in the Company's Register of Shareholders.

The approval of each of Proposals 1 and 5 requires the affirmative vote of a majority of the voting power in the Company present at the Meeting either in person, by proxy or by a voting instrument, and voting on such Proposal.

The approval of Proposal 2 requires the affirmative vote of a majority of the voting power in the Company present at the Meeting either in person, by proxy or by a voting instrument, and voting on the Proposal, provided that either: (i) such majority includes a majority of the Shares voted at the Meeting by shareholders who are not Controlling Shareholders (as defined below) and do not have a Personal Interest (as defined below) in the approval of the Proposal other than a Personal Interest that is not a result of their relationship with the Controlling Shareholder, disregarding abstentions; or (ii) the total number of Shares voted against the approval of the Proposal by shareholders referred to in sub-section (i) does not exceed two percent (2%) of the total voting rights in the Company.

The approval of each of Proposals 3 and 4 requires the affirmative vote of a majority of the voting power in the Company present at the Meeting either in person, by proxy or by a voting instrument, and voting on the Proposal, provided that either: (i) such majority includes a majority of the Shares voted at the Meeting by shareholders who do not have a Personal Interest in the approval of the Proposal, disregarding abstentions; or (ii) the total number of Shares voted against the approval of the Proposal by shareholders referred to in sub-section (i) does not exceed two percent (2%) of the total voting rights in the Company.

Under the Companies Law, "Personal Interest" means a shareholder's personal interest in an act or a transaction of a company, including the personal interest of his or her Relatives (as defined below) or of an entity in which such shareholder or his or her Relative is an Interested Party (as defined below). Personal Interest excludes a personal interest arising solely from holding a company's shares and includes a Personal Interest of any person voting pursuant to a proxy provided to him or her by another person with respect to the proposal, even if the person providing the proxy does not have a Personal Interest. The vote of a person who is voting by a proxy provided to him or her on behalf of another who has a Personal Interest will also be seen as a vote of a person with a Personal Interest, whether the discretion to vote is in the hands of the voter or not.

"Relative" means a person's (a) brother, sister, parent, grandparent or descendant, (b) spouse, or (c) the spouse's brother, sister, parent or descendant (or in each case the spouse thereof).

"Interested Party" means any person that either:

(a) holds five percent (5%) or more of an entity's issued share capital or voting rights;

(b) has the right to appoint a director to an entity's board of directors or the chief executive officer thereof;

or

(c) is a member of an entity's board of directors or serves as the chief executive officer thereof.

"Controlling Shareholder" means, for purposes of Proposals 2, 3 and 4 and elsewhere as specifically referenced in this Proxy Statement, any shareholder who has the ability to direct the Company's activity, including any shareholder holding 50% or more of the "means of control" of the Company. "Means of control" is defined under Israeli law as any one of the following: (i) the right to vote at a general meeting of the Company, or (ii) the right to appoint directors of the Company or its chief executive officer.

According to the Companies Regulations (exemptions for companies whose securities are listed for trading on a stock exchange outside of Israel), 5760-2000 (the "Exemption Regulations for Companies Listed Abroad"), by signing and submitting the attached Proxy Card, a shareholder declares and approves that he or she has no Personal Interest in the approval of each of Proposals 2, 3 and 4 on the Meeting agenda, except if such shareholder notified the Company of such Personal

Interest in writing. If you believe that you have a Personal Interest in any of Proposals 2, 3 or 4 on the Meeting agenda and you wish to inform the Company of such Personal Interest, you should submit such information in advance of voting to the Company at its registered offices, at Elbit Systems Ltd., Advanced Technology Center, Haifa 3100401, Israel, to the attention of Mrs. Adi Pinchas Confino, Corporate Secretary.

VOTING BY PROXY AND ELECTRONIC VOTING

Shareholders may vote their Shares by attending the Meeting and voting their Shares in person, by completing the enclosed proxy card or a voting instruction form (if applicable) or by casting an electronic vote, as described below.

A form of proxy card for use at the Meeting is enclosed. By appointing a “proxy” or, with respect to “street name” beneficial owners, by returning a properly completed voting instruction form, shareholders may have their Shares voted at the Meeting whether or not they attend. If a properly executed proxy card in the attached form is received by the Company at least twenty-four (24) hours prior to the Meeting (i.e., before 3:00 p.m. Israel time, on Tuesday, August 4, 2026), the Shares represented by the proxy will be voted in the manner directed by the persons designated as proxies. “Street name” beneficial owners of Shares should return their voting instruction form by the date and time set forth therein. Shareholders who, at the close of business on the Record Date, either (i) hold Shares through a bank, broker or other holder of record that itself is a Company shareholder or (ii) appear on a participant list of a securities depository with respect to Shares, are considered to be beneficial owners of Shares held in “street name.”

Shareholders who hold their Shares in “street name” may either direct the record holder of their Shares how to vote their Shares (by completing a voting instruction form), or vote at the Meeting on behalf of the record holder by obtaining a legal proxy from the record holder (and proof of such record holder’s Share ownership on the Record Date). Shareholders who hold their Shares through a member of the Tel Aviv Stock Exchange Ltd. (the “TASE”) and intend to vote their Shares at the Meeting in person or by proxy must deliver to the Company, via messenger or registered mail, proof of ownership issued by the applicable bank or broker, confirming their ownership of the Shares as of the Record Date, prepared in accordance with the requirements of the Israeli Companies Regulations (Proof of Ownership of Shares for Voting at General Meetings), 5760-2000. A shareholder whose Shares are registered with a member of the TASE may also direct the relevant TASE member to deliver the ownership certificate to the Company through the Electronic Voting System, as defined below.

Shareholders are requested to complete, date and sign the enclosed proxy card or (as applicable) the voting instruction form, and return them promptly. Even if you plan to attend the Meeting, we recommend that you also submit your proxy card or voting instruction form as described in this Proxy Statement so that your vote will be counted if you later decide not to attend the Meeting.

If you receive a proxy card or voting instruction form and provide specific instructions (by marking a box on the proxy card) with regard to a Proposal, your Shares will be voted as you instruct. Unless otherwise indicated on the proxy card or in the electronic vote, and to the extent permitted by law and applicable stock exchange requirements, Shares represented by a properly signed and received proxy card in the enclosed form or in an electronic form will be voted in favor of the Proposals. Abstentions will not be treated as either a vote “for” or “against” a Proposal, although they will be counted to determine if a quorum is present. Thus, if you sign and return your proxy card (or complete your electronic vote) without giving specific instructions with respect to a Proposal, your Shares will be voted in favor of such Proposal.

If you are a “street name” holder and you sign and return your voting instruction form without giving specific instructions with respect to a Proposal, your broker will not be permitted to vote your Shares with respect to such Proposal (commonly referred to as a “broker non-vote”). In such circumstances, your Shares will be included in determining the presence of a quorum at the Meeting but will not be considered “present” for the purpose of voting on such Proposal. Such Shares have no impact on the outcome of the voting on such Proposal.

The Israel Securities Authority (the “ISA”) has set up an electronic voting system for shareholder meetings of Israeli companies whose shares are listed on the TASE via its online platform (the “Electronic Voting System”). Shareholders are able to vote their Shares through the Electronic Voting System, following a registration process, no later than twenty-four (24) hours before the Meeting (i.e., before 3:00 p.m. Israel time, on Tuesday, August 4, 2026).

Shareholders may revoke any proxy card or electronic vote prior to their exercise by filing with the Company a written notice of revocation or a properly signed proxy card of a later date (if received by the Company at least twenty-four (24) hours prior to the Meeting), or by voting through the Electronic Voting System on a later date (if completed at least twenty-

four (24) hours prior to the Meeting) or by voting in person at the Meeting. If you hold your Shares in “street name,” you may change your voting instructions by following the directions provided to you by your broker, bank or other nominee.

Solicitation of proxies will be made primarily by mail; however, in some cases proxies may be solicited by telephone or other personal contact. The Company will pay for the cost of the solicitation of proxies, including the cost of preparing, assembling and mailing the proxy materials, and will reimburse the reasonable expenses of brokerage firms and others for forwarding proxy materials to shareholders.

This Proxy Statement and the accompanying proxy card also constitute a “voting deed” (Ktav Hatzba’a) for the purpose of Regulation 3(c) of the Exemption Regulations for Companies Listed Abroad.

OTHER MATTERS

Currently, the Company is not aware of any other matters that will come before the Meeting. If any other matters properly come before the Meeting, the persons designated as proxies in the proxy card intend to vote in accordance with their best judgment on such matters. One or more shareholders holding at least one percent (1%) of the Company’s total voting rights may present proposals for consideration at the Meeting, by submitting their proposals to the Company at its registered offices, at Elbit Systems Ltd., Advanced Technology Center, Haifa 3100401, Israel, to the attention of Mrs. Adi Pinchas Confino, Corporate Secretary, no later than the close of business on Wednesday, July 8, 2026. If the Company determines that a shareholder’s proposal is appropriate for inclusion in the Meeting agenda, a revised agenda will be published by the Company.

BENEFICIAL OWNERSHIP OF SECURITIES

BY CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

As of June 17, 2026, we had 46,848,460 (forty-six million, eight hundred forty-eight thousand, four hundred sixty) Shares outstanding. The following table sets forth specific information as of June 17, 2026, to the best of our knowledge, concerning:

- beneficial ownership of more than 5% of our outstanding Shares; and
- the number of Shares beneficially owned by all of our executive officers and directors as a group. Shares that a person has the right to acquire within 60 days of June 17, 2026 through the exercise of options under the 2018 Equity Plan or the 2022 Equity Incentive Plan for Employees (see footnote (4) below) are deemed outstanding for purposes of computing the percentage ownership of the person holding such rights, but are not deemed outstanding for purposes of computing the percentage ownership of any other person, except with respect to the percentage ownership of all executive officers and Board members as a group.

Name of Shareholder	Number of Shares Beneficially Owned	Percentage of Ownership ⁽¹⁾
Federmann Enterprises Ltd. 99 Hayarkon Street Tel-Aviv, Israel	19,318,508 ⁽²⁾	41.2 %
All executive officers and directors as a group (23 persons)	1,921 ⁽³⁾⁽⁴⁾	less than 1%

(1) Based on 46,848,460 Shares outstanding as of June 17, 2026.

(2) Includes 3,836,458 Shares held by Heris Aktiengesellschaft (“Heris”). Heris is owned, directly and indirectly, by Federmann Enterprises Ltd. (“FEL”). FEL is controlled by Beit Federmann Ltd. (“BFL”). BFL is controlled by Beit Bella Ltd. (“BBL”) and Beit Yekutiel Ltd. (“BYL”). Michael Federmann is the controlling shareholder of BBL and BYL. He is also the chair of the board and the chief executive officer of FEL. Therefore, Mr. Federmann controls, directly and indirectly, the vote of Shares owned by Heris and FEL (approximately 41.2% of our outstanding Shares). In addition, Michael Federmann is the trustee of a trust on behalf of his sister, Irith Federmann-Landreau, that holds an indirect non-voting economic interest of approximately 7.2% in our outstanding Shares through an indirect approximately 17.5% non-voting interest in FEL. Michael Federmann and his sons, David (who also serves as chair of the Elbit Systems Board), Gideon and Daniel Federmann, collectively hold an indirect economic interest equivalent to approximately 25.5% of our outstanding Shares, with Michael Federmann holding an approximately 5.1% economic interest, David Federmann holding an approximately 8.16% economic interest, and each of Gideon and Daniel Federmann holding an approximately 6.12% economic interest.

(3) This amount (i) does not include any Shares that may be deemed to be beneficially owned by Michael Federmann or David Federmann as described in footnote (2) above and (ii) includes Shares held by the spouse of a director, but the director disclaims beneficial ownership over the spouse’s Shares.

(4) The Company’s 2018 Equity Incentive Plan for Executive Officers and 2022 Equity Incentive Plan for Employees, as amended from time to time, include a “Net Exercise Mechanism” that entitles the recipients to exercise options for the number of shares determined based on the excess, if any, of the fair market value of the shares underlying such options over the exercise price of such options, calculated based on the date of exercise. The number of Shares reflected above as owned by all executive officers and directors as a group was calculated based on a hypothetical exercise on June 17, 2026, which is a theoretical date. The number of Shares that will actually be issued will vary, depending on the date of exercise and the market price of the Shares on such date. The aggregate number of options granted to executive officers that are exercisable on or within 60 days following June 17, 2026, is 2,000 options.

The Cybersecurity Management Process is managed by the Chief Operating Officer and implemented by the Chief Information Security Officer, Chief Information Officer and Chief Security Officer. Management maintains a multi-year Cybersecurity Work Plan, approved annually by the COO and President and CEO. The Board conducts an annual review of our cybersecurity risk profile, and the Board and the Audit and Financial Statements Review Committee, also referred to herein as the Audit Committee, may conduct additional cybersecurity discussions as necessary.

BOARD COMMITTEE STRUCTURE

Our Board has established three standing committees: the Audit and Financial Statements Review Committee, the Compensation Committee and the Corporate Governance and Nominating Committee. Each of our Board committees is composed exclusively of directors who are independent under the applicable Nasdaq Listing Rules (the “Nasdaq Rules”) and the Companies Law. The Board meets quarterly and at other times during the year as necessary to conduct its activities. During 2025, the attendance by Board members at Board and committee meetings was 100%.

Audit and Financial Statements Review Committee: Our Audit Committee serves as the Board’s primary overseer of financial integrity and corporate accountability. The committee oversees the Company’s accounting and financial reporting processes, evaluates internal controls and supervises both internal and external audit functions. It also reviews and approves related party transactions, maintains our whistleblower process for reporting concerns about accounting or ethical matters and helps ensure that any identified deficiencies in business administration are promptly addressed.

Compensation Committee: Our Compensation Committee is responsible for designing and overseeing executive pay programs that align management incentives with shareholder interests. The committee recommends the Company’s overall compensation policy for officers and directors, reviews and approves executive employment terms and oversees equity incentive plans.

Corporate Governance and Nominating Committee: Our Corporate Governance and Nominating Committee helps ensure that the Board is composed pursuant to our corporate governance standards and operates effectively. The committee recommends qualified director candidates for election or appointment, periodically reviews Board and committee composition and advises on corporate governance practices and policies. When evaluating director candidates, the committee considers factors such as background, experience and expertise.

DIRECTOR INDEPENDENCE

None of our directors serves as an executive officer of the Company and a majority of our directors are “independent” as defined in the Nasdaq Rules and under the Companies Law, with such criteria heightened for members of our Compensation Committee and Audit Committee. Each of our Board committees is composed exclusively of directors who are independent, including our Corporate Governance and Nominating Committee.

Each of the Corporate Governance and Nominating Committee and the Board has determined that three of the nominees for election as members of the Board in Proposal 1 at the Meeting (Mr. Ehud (Udi) Adam, Mr. Jacob Bar-Nathan Abudi and Mrs. Tzipi Livni) and both External Directors (Mrs. Bilha (Billy) Shapira and Mr. Noaz Bar Nir, who is nominated for an additional three-year term in Proposal 2 at the Meeting) satisfy the independence criteria under the Nasdaq Rules.

Mr. Adam was named as an independent director of Veridis Environment Ltd. (“Veridis”) as of April 1, 2026. The Company has certain insignificant business engagements with Veridis and several of its subsidiaries, under which Veridis provides certain products and services to the Company relating to recycling, packaging, energy, landscape maintenance and certain other areas. For the sake of caution, information regarding such business engagements was presented to the Audit Committee and the Board, which confirmed that such engagements are insignificant both from Mr. Adam’s perspective and

that of the Company, and therefore such engagements do not prevent Mr. Adam from serving as an independent director of the Company.

Mr. Bar-Nathan Abudi currently serves as a director of Arkia Israeli Airlines Ltd. (“Arkia”) and of two of its subsidiaries. The Company has certain insignificant business engagements with Arkia, under which Arkia provides certain flight services to the Company. For the sake of caution, information regarding such business engagements was presented to the Audit Committee and the Board, which confirmed that such engagements are insignificant both from Mr. Bar-Nathan Abudi’s perspective and that of the Company, and therefore such engagements do not prevent Mr. Bar-Nathan Abudi from serving as an independent director of the Company.

In accordance with the Companies Law, a majority of the members of our Audit Committee must qualify as “Independent Directors” under the Companies Law, and the Audit Committee must also include all “External Directors” of the Company, one of whom must serve as chair of the Audit Committee. The chair of our Compensation Committee is also required to be an External Director.

Each of the Audit Committee and the Board has determined that Mr. Adam, Mr. Bar-Nathan Abudi and Mrs. Livni satisfy the criteria to serve as an “Independent Director” under the Companies Law and that the External Directors Mr. Bar Nir and Mrs. Shapira satisfy the independence criteria to serve as an External Director under the Companies Law.

Our Independent Directors also conduct periodic “executive sessions” without the presence of management and non-Independent Directors.

EXECUTIVE COMPENSATION

We maintain a compensation policy for Directors and Executive Officers that is designed to promote retention and motivation, reward strong individual performance, provide career advancement opportunities within a growing organization and align the interests of our Directors and Executive Officers with those of our shareholders. A portion of each Executive Officer’s compensation is linked to our short-term and long-term goals, as well as individual performance. Our compensation policy also includes measures designed to mitigate incentives for excessive risk-taking, including limits on the value of cash bonuses and equity-based compensation, caps on the ratio of variable to total compensation for each Executive Officer and minimum vesting periods for equity-based awards. These limits serve as maximum thresholds and do not constitute a guarantee or commitment of any particular compensation level.

For more detailed information, please see our compensation policy, which is attached as an exhibit to our 2025 Annual Report. Please also refer to Item 6 of our 2025 Annual Report for information regarding compensation paid in 2025 to our five most highly compensated Office Holders (as defined in the Companies Law).

RESPONSIBLE BUSINESS, COMPLIANCE AND WORKFORCE PRACTICES

We maintain programs and policies designed to support responsible business practices across our operations, including environmental, health and safety matters; corporate governance, ethics and anti-corruption; labor standards and human rights; supply chain compliance; and community engagement. These matters are overseen by our Board and managed by senior management through a cross-functional steering committee comprised of senior business and corporate function leaders. We establish multi-year objectives in selected areas of operational, compliance and sustainability performance and participate in industry organizations focused on sustainability, ethics and responsible business conduct.

Environmental, Health and Safety

We are committed to maintaining environmental, health and safety programs designed to meet applicable regulatory requirements and support compliance with ISO 14001 and ISO 45001 standards. We conduct ongoing initiatives focused on resource efficiency, environmental management and workplace safety, including measures to reduce electricity, fuel and water consumption, increase recycling and incorporate environmental protection considerations in our manufacturing processes. In 2025, we participated in the Carbon Disclosure Project and published an EHS report summarizing key elements of our compliance activities, which is available on our website.

Corporate Governance, Ethics and Anti-Corruption

We maintain an active Company-wide ethics and compliance program, including a policy of zero tolerance for corruption. Our anti-bribery and corruption compliance program includes whistleblower and investigations processes, contractual requirements, due diligence, ongoing training, record keeping and enforcement. Our Ethics and Compliance Code of Conduct, Whistleblower and Investigations Procedure, Anti-Bribery and Corruption Compliance Policy, Business Entertainment and Gifts Policy and Supplier Code of Conduct are each published on our website. Elbit Systems of America, a wholly owned subsidiary of the Company, was recognized by Ethisphere as one of the World's Most Ethical Companies for 2025, marking the seventh consecutive year this distinction has been achieved.

Workforce Practices and Human Capital

Our workforce policies are designed to support fair treatment, transparency and respect for employee rights across our organization. We maintain hiring, promotion and employment practices intended to provide equal opportunity and comply with applicable employment laws, and we seek to foster a respectful and collaborative workplace. As part of the implementation of Israel's Equal Pay for Female and Male Employees Law, we conduct evaluations regarding possible gender pay gaps among our employees and publish the results on our website. About half of our total workforce is engaged in technology-related functions, including research, development and engineering.

Supply Chain Compliance

Our suppliers are required to commit to our Supplier Code of Conduct, which addresses supply chain compliance matters such as labor standards, combating human trafficking, ethics and anti-corruption, avoidance of conflicts of interest, adherence to sanctions requirements, restrictions on the use of conflict minerals, cybersecurity and prevention of counterfeit parts. Suppliers are subject to our due diligence procedures, and our Supplier Code of Conduct provides a whistleblower mechanism for current and potential members of our supply chain. All of our activities in the area of munitions are conducted in compliance with the international Convention on Cluster Munitions.

Community Engagement

Our policies encourage volunteerism by our Company entities and employees, many of whom donate their time in support of community members in need. We prioritize initiatives that support educational advancement in underserved communities, particularly in technology-related fields, and support numerous community activities. In 2024, over 4,000 employees contributed approximately 38,000 volunteer hours globally, and our community investment totaled approximately \$3.5 million.

PROPOSAL 1 – ELECTION OF DIRECTORS

At the Meeting, the following seven individuals, who are not External Directors, are nominated to be elected to the Board: Mr. David Federmann, Mr. Ehud (Udi) Adam, Mr. Jacob Bar-Nathan Abudi, Mrs. Rina Baum, Mr. Michael Federmann, Mrs. Tzipi Livni and Mr. Dov Ninveh.

The Companies Law requires that a person cannot be elected and serve as a director in a public company if he or she does not have the required qualifications and the ability to dedicate an appropriate amount of time for the performance of his or her director position in the company, taking into consideration, among other factors, the specific needs and size of the company.

A general shareholders' meeting of a company whose shares are publicly traded, at which the appointment of a director is to be considered, cannot be convened unless the nominee has declared to the company that he or she complies with the above-mentioned requirements and provides details of his or her applicable qualifications.

Each of the proposed nominees, Mr. David Federmann, Mr. Adam, Mr. Bar-Nathan Abudi, Mrs. Baum, Mr. Michael Federmann, Mrs. Livni and Mr. Ninveh, has declared to the Company that he or she complies with the required qualifications under the Companies Law for appointment as a member of the Board, detailing his or her applicable qualifications, and that he or she is capable of dedicating the appropriate amount of time for the performance of his or her role as a member of the Board, taking into consideration, among other factors, the specific needs and size of the Company. In addition, each of Mr. Adam, Mr. Bar-Nathan Abudi and Mrs. Livni has declared that he or she complies with the criteria of an Independent Director under the Companies Law.

As mentioned above under "DIRECTOR INDEPENDENCE", three of these nominees (Mr. Adam, Mr. Bar-Nathan Abudi and Mrs. Livni) satisfy the criteria for service as an independent director under the applicable Nasdaq Rules as well as the criteria for service as an Independent Director under the Companies Law.

The Corporate Governance and Nominating Committee and the Board have recommended that each of Mr. David Federmann, Mr. Adam, Mr. Bar-Nathan Abudi, Mrs. Baum, Mr. Michael Federmann, Mrs. Livni and Mr. Ninveh be nominated for election to the Board. The Board has determined that Mr. Bar-Nathan Abudi has "accounting and financial expertise", as described in more detail below in Proposal 2 of this Proxy Statement, and qualifies to serve as an "audit committee financial expert," as defined under applicable SEC rules. Each nominee so elected as a director will hold office until the close of the next Annual General Meeting of Shareholders and until his or her successor is elected and qualified, unless any Director's office is vacated earlier in accordance with the provisions of the Companies Law and the Company's Restated Articles of Association.

Our Board of Directors has classified Mr. Adam, Mrs. Livni and Mrs. Shapira as Expert Directors under the Israeli Companies Regulations (Rules Regarding Compensation and Expenses of an External Director), 5760-2000 (the "Compensation Regulations").

In accordance with the Company's compensation policy, the Israeli Companies Regulations (Relief from Related Parties' Transactions), 5760-2000, the Israeli Companies Regulations (Relief for Companies whose Securities are Listed on a Stock Exchange outside of Israel), 5760-2000 (collectively, the "Relief Regulations"), and the Compensation Regulations, the Company's Compensation Committee and Board have approved compensation to the Company's current and future directors (including Mr. Michael Federmann, who may be considered a direct or indirect Controlling Shareholder of the Company, and his son, Mr. David Federmann) in accordance with the maximum regulatory rates payable to External Directors in dual-listed companies where the applicable foreign law imposes additional duties or requirements on the independent or External Director beyond those imposed by Israeli law (the "Maximum Regulatory Rates"). In addition, a director who qualifies as an Expert Director under the Compensation Regulations, as determined by the Board of Directors, will receive compensation at the higher rates permitted thereunder.

As a result, if elected, each of the Company's directors would be entitled to receive an annual fee of NIS 159,045 (equal to approximately \$54,500) and a per meeting fee of NIS 4,785 (equal to approximately \$1,640), which reflect the Maximum Regulatory Rates, linked to the Israeli consumer price index. Compensation payments to directors are made either directly to the director or to his or her employing company. A director who qualifies as an Expert Director under Compensation Regulations, as determined by the Board of Directors, will receive an annual fee of NIS 174,890 (equal to approximately \$60,000) and a per meeting fee of NIS 6,725 (equal to approximately \$2,300), in accordance with the higher compensation rates permitted thereunder.

Five of the nominees (Mr. Adam, Mr. Bar-Nathan Abudi, Mrs. Baum, Mrs. Livni and Mr. Ninveh) will be covered by indemnification letters and exemption letters as previously approved by the Company's shareholders. Subject to the approval of the extension of the existing indemnification letters for Mr. Michael Federmann and Mr. David Federmann under Proposal 3 of this Proxy Statement, and the approval of the extension of existing exemption letters for Mr. Michael Federmann and Mr. David Federmann under Proposal 4 of this Proxy Statement, Mr. Michael Federmann and Mr. David Federmann will also continue to be covered by such indemnification letters and exemption letters.

In addition, in accordance with the Company's compensation policy, each of the Company's Directors (including Mr. Michael Federmann and his son, Mr. David Federmann), will be covered by a directors and officers liability insurance policy, to be purchased from time to time by the Company in accordance with such compensation policy, the Companies Law and the Relief Regulations.

PROPOSAL 2 – RE-ELECTION OF MR. NOAZ BAR NIR FOR AN ADDITIONAL THREE-YEAR TERM AS AN EXTERNAL DIRECTOR

Under the Companies Law and regulations promulgated thereunder, each Israeli public company is generally required to appoint at least two External Directors. Among other requirements for public companies such as Elbit Systems, which is considered to have a Controlling Shareholder, a person may serve as an External Director if that person is not a Relative of a Controlling Shareholder of the company and if each of that person's Relatives, partners and employers, or any person to whom that person is directly or indirectly subordinate, or any entity controlled by that person, did not have, on the date of the person's appointment or at any time during the two years preceding that person's appointment as an External Director, any Affiliation (as defined below) with (i) the company, (ii) any entity or person controlling the company on the date of the appointment, (iii) a Relative of a Controlling Shareholder or (iv) any entity controlled by the company or by the company's Controlling Shareholders on the date of the appointment or at any time during the two years preceding his or her appointment.

Subject to certain exceptions, "Affiliation" means: (i) an employment relationship, (ii) a business or professional relationship maintained on a regular basis (excluding insignificant relationships), (iii) control and (iv) service as an Office Holder, excluding a director appointed in order to serve as an External Director of a company that is about to offer its shares in an initial public offering. For the definitions of "Relative" and "Controlling Shareholder" under the Companies Law, please see above "– QUORUM AND VOTING REQUIREMENTS."

A person may not serve as an External Director if that person or that person's Relative, partner, employer, any person to whom he or she is directly or indirectly subordinate or any entity controlled by that person, has business or professional relationships with an entity with which an Affiliation is prohibited, even if such relationship is not on a regular basis (other than a negligible relationship). Furthermore, a person who directly or indirectly received compensation for his or her service as a director of a company, other than the compensation permitted for an External Director under the Companies Law, may not serve as an External Director of that company.

A person may serve as an External Director if and so long as (i) no conflict of interest exists or may exist between his or her responsibilities as a member of the board of directors of the company and his or her other positions or business activities, and so long as such positions or business activities do not impair his or her ability to serve as a director, (ii) no director of the company is an External Director of another company in which that person is a director and (iii) the person is not an employee of the Israel Securities Authority or of the TASE.

Any committee of the Board authorized to exercise powers of the Board must include at least one External Director, and all External Directors must be members of the audit and the compensation committees.

In general, at least one External Director must have "accounting and financial expertise" and the other External Director(s) must have either "accounting and financial expertise" or "professional competence." However, in dual-listed companies such as Elbit Systems, if one or more other directors who meet the independence criteria applicable to members of the audit committee under applicable foreign law (including stock exchange rules) have been determined by the board of directors to have "accounting and financial expertise", then it is permissible for each of the External Directors to have only "professional competence." The evaluation of a director's "accounting and financial expertise" and "professional competence" is made by the board of directors taking into account, among other factors, parameters specified in regulations under the Companies Law. A director has "accounting and financial expertise" if, based on education, experience and qualifications, he or she has a high level of proficiency in, and understands, business accounting matters and financial statements, in a manner that enables him or her to have an in-depth understanding of the company's financial statements and to stimulate discussion regarding the manner in which the financial data is presented. A director has "professional competence" if he or she has (i) an academic degree in either economics, business administration, accounting, law or public administration, (ii) an academic degree or has completed another form of higher education in the company's primary field of business or in an area which is relevant to his or her office as an External Director or (iii) at least five years' experience in a senior position in the business management of a corporation with a substantial scope of business, in a senior position in public service or in the field of the company's business.

External Directors serve for initial three-year terms following which they may stand for re-election for up to two additional terms of three years each. Dual-listed companies such as Elbit Systems may elect External Directors for additional terms of up to three years each, subject to fulfillment of certain conditions.

Mr. Noaz Bar Nir has served as an External Director of the Company since August 10, 2020 and is currently serving his second three-year term, which expires on August 9, 2026. Mr. Bar Nir is considered by the Board to have "accounting and financial expertise," as described above.

Mr. Bar Nir is one of two External Directors of the Company. The other External Director, Mrs. Bilha (Billy) Shapira, is not currently standing for re-election and will continue to serve as an External Director until November 19, 2028.

The Companies Law requires that a person cannot be elected and serve as a director of a public company, including as an External Director, if he or she does not have the required qualifications and the ability to dedicate an appropriate amount of time for the performance of his or her director position in the company, taking into consideration, among other factors, the specific needs and size of the company. A general shareholders' meeting of a company whose shares are publicly traded, at which the appointment of a director is to be considered, including an External Director, cannot be convened unless the nominee has declared to the company that he or she complies with the above-mentioned requirements and provides details of his or her applicable qualifications which, in case of an External Director, includes additional independence criteria applicable to service as an External Director.

Mr. Bar Nir, the proposed nominee for re-election, has declared to the Company that he complies with the required qualifications under the Companies Law for election as an External Director, detailed his applicable qualifications and stated he is capable of dedicating the appropriate amount of time for the performance of his role as a member of the Board.

The Corporate Governance and Nominating Committee and Board have each determined that Mr. Bar Nir meets the applicable criteria for External Directors under the Companies Law and that, as mentioned under "DIRECTOR INDEPENDENCE" above, he also meets the director independence criteria under the Nasdaq Rules. The Corporate Governance and Nominating Committee and the Board have each recommended that Mr. Bar Nir be nominated for re-election as an External Director for a three-year period.

If re-elected as an External Director, Mr. Bar Nir will hold office for an additional three-year period commencing as of August 10, 2026, unless his office is vacated earlier in accordance with the provisions of the Companies Law and the Company's Restated Articles of Association. If for any reason he should be unable to serve, another person will be elected in accordance with applicable law.

In accordance with the Company's compensation policy and the Relief Regulations, and as approved by the Company's Compensation Committee and Board for all current and future directors, Mr. Bar Nir will receive compensation in accordance with the Maximum Regulatory Rates.

As a result, if re-elected to a third three-year term as an External Director, Mr. Bar Nir, who has been classified by the Company's Board of Directors as an Expert Director under the Compensation Regulations, will be entitled to an annual fee of NIS 174,885 (equal to approximately \$60,000) and a per meeting fee of NIS 6,725 (equal to approximately \$2,300), linked to the Israeli consumer price index. In addition, if elected as an External Director, Mr. Bar Nir will continue to be covered by any directors and officers liability insurance policy in effect as of the date of his election and thereafter obtained by the Company from time to time in accordance with the Company's compensation policy and the Companies Law. Mr. Bar Nir would also continue to be covered by indemnification and exemption letters previously approved by the Company's shareholders.

In August 2023, the shareholders of the Company approved the extension of indemnification letters to Mr. Michael Federmann, who may be considered a direct or indirect Controlling Shareholder of the Company, and to his son, Mr. David Federmann (the “Indemnification Letters”). The Indemnification Letters consist of the same terms and scope as the indemnification letters approved in November 2011 by the Company’s shareholders to be provided to directors of the Company as nominated from time to time.

The Indemnification Letters contain the Company’s undertaking, subject to any applicable law and the Company’s Restated Articles of Association, to indemnify Messrs. Federmann for certain liabilities and expenses incurred by them due to their roles in the Company, its subsidiaries or its affiliates, up to an aggregate indemnification amount for all Office Holders of 25% of the Company’s equity, based on the Company’s most recent annual financial statements on a consolidated basis. The Indemnification Letters are subject to standard exceptions, procedures and qualifications.

According to the Companies Law, the grant of an indemnification letter to a director that may be considered as a direct or indirect controlling shareholder of that company, or his or her relative, requires re-approval every three years by the company’s compensation committee, board of directors and shareholders.

The Compensation Committee and the Board approved the extension of the Indemnification Letters of Mr. Michael Federmann and Mr. David Federmann, on the basis that (i) the Indemnification Letters are in the best interests of the Company, as they generally assist the Company to attract and maintain qualified directors, (ii) the granting of such Indemnification Letters to directors is a common practice and (iii) the terms and conditions of the Indemnification Letters are identical to the terms of the indemnification letters provided to all other directors of the Company.

Proposed Resolution

At the Meeting, the Board will propose that the following resolution be adopted:

“RESOLVED, to extend the Indemnification Letters of Mr. Michael Federmann and Mr. David Federmann for an additional three years commencing on December 1, 2026.”

Required Vote

The approval of Proposal 3 requires the affirmative vote of a majority of the voting power in the Company present at the Meeting either in person, by proxy or by a voting instrument, and voting on the Proposal, provided that either: (i) such majority includes a majority of the Shares voted at the Meeting by shareholders who do not have a Personal Interest in the approval of the Proposal, disregarding abstentions; or (ii) the total number of Shares voted against the approval of the Proposal by shareholders referred to in sub-section (i) does not exceed two percent (2%) of the total voting rights in the Company.

Board Recommendation

THE BOARD OF DIRECTORS, UPON THE RECOMMENDATION OF THE COMPENSATION COMMITTEE, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR APPROVAL OF THIS RESOLUTION.

**PROPOSAL 4 – EXTENDING THE EXEMPTION LETTERS OF MR. MICHAEL FEDERMANN AND
MR. DAVID FEDERMANN BY AN ADDITIONAL THREE YEARS**

In August 2023, the shareholders of the Company approved the extension of exemption letters to Mr. Michael Federmann, who may be considered a direct or indirect Controlling Shareholder of the Company, and to his son, Mr. David Federmann (the “Exemption Letters”). The Exemption Letters consist of the same terms and scope as the exemption letters approved in April 2021 by the Company’s shareholders to be provided to directors of the Company as nominated from time to time.

The Exemption Letters contain the Company’s undertaking, subject to any applicable law and the Company’s Restated Articles of Association, to exempt Messrs. Federmann from liabilities arising from violations of their duty of care to the Company, provided that an exemption will not apply to a decision or transaction in which a Controlling Shareholder, executive officer or director of the Company (even a different one than the one who is exempted) has a personal interest.

According to the Companies Law, the grant of an exemption letter to a director that may be considered as a direct or indirect controlling shareholder of that company, or his or her relative, requires re-approval every three years by the company’s compensation committee, board of directors and shareholders.

The Compensation Committee and the Board approved the extension of the Exemption Letters of Mr. Michael Federmann and Mr. David Federmann, on the basis that (i) the Exemption Letters are in the best interests of the Company, as they generally assist the Company to attract and maintain qualified directors, (ii) the granting of such Exemption Letters to directors is a common practice and (iii) the terms and conditions of the Exemption Letters are identical to the terms of the exemption letters provided to all other directors of the Company.

**PROPOSAL 5 – RE-APPOINTMENT OF THE COMPANY’S INDEPENDENT AUDITOR
FOR THE FISCAL YEAR ENDING DECEMBER 31, 2026 AND UNTIL THE CLOSE OF THE
NEXT ANNUAL GENERAL MEETING OF SHAREHOLDERS**

The Companies Law and our Restated Articles of Association provide that a certified accountant be appointed as an independent auditor of the Company at the annual general meeting, to serve until the end of the next Annual General Meeting of Shareholders. The Audit Committee has adopted a pre-approval policy for the engagement of the Company’s independent auditors to perform audit and permitted non-audit services, designed to assure that such engagements do not impair the independence of the auditors.

Following the recommendation by the Audit Committee, sitting as the Financial Statements Review Committee, and the Board, it is proposed that Kost, Forer, Gabbay & Kasierer, a member of Ernst & Young Global, be re-appointed as the independent auditor of the Company for the fiscal year ending December 31, 2026 and until the close of the next Annual General Meeting of Shareholders. A representative of the independent auditor will be present at the Meeting and will be available to respond to appropriate questions from shareholders. Such auditor served as the Company’s auditor for the fiscal year ended December 31, 2025 and has no relationship with the Company, or with any affiliate of the Company, other than serving as its auditor and performing certain other engagements with the Company that do not affect its independence.

Under the Company’s Restated Articles of Association, the independent auditor’s fees will be set and approved by the Board upon recommendation of the Audit Committee.

The following is a summary of fees paid to the Company’s independent auditors in the prior two full fiscal years (U.S. dollars in thousands):

	Year ended December 31, 2025	Year ended December 31, 2024
Audit and Audit Related Fees	\$4,963.00	\$4,642.00
Tax Fees	530	359
Total	\$5,493.00	\$5,001.00

“Audit and Audit Related Fees” are the aggregate fees for the audit of our consolidated annual financial statements. This category also includes assurance and related services reasonably related to the performance of the audit or review of our consolidated financial statements and services generally provided by the independent auditor, such as consents and assistance with and review of documents filed with the SEC. It also includes fees billed for accounting consultations regarding the accounting treatment of matters that occur in the regular course of business, implications of new accounting pronouncements and other accounting issues that occur from time to time.

“Tax Fees” are the aggregate fees billed for professional services rendered for tax compliance and tax advice, other than in connection with the audit. Tax compliance involves preparation of original and amended tax returns, tax planning and tax advice.

“Other Fees” are fees billed for services related to assessment of finance software.

Kost, Forer, Gabbay & Kasierer and other EY affiliates did not bill the Company for services other than the Audit Fees, Tax Fees and Other Fees described above for fiscal year 2024 or fiscal year 2025.

Proposed Resolution

At the Meeting, the Board will propose that the following resolution be adopted:
